Subject: draft WA "fact sheet"
Washington Program 2014 01.docx

Hi Helen,

Here's where I am on the Washington "fact sheet" for next week's meeting.

Please feel free to edit / alter.

I realize that the issues I've highlighted under "issues driving program" are probably mostly EPA issues (if you agree, we can identify them as such). I probably won't be checking work email (after today) until next Monday UNLESS you draw something to my attention (by sending me an email at **Ex. 6 - Personal Privacy**)

Cheers,

Laurie
